

ACCOLADES

State of the Art CT Scan Machine and High Dose Radio-Isotope Therapy Ward, Department of Nuclear Medicine and Molecular Imaging was inaugurated by H. E. Hon'ble Governor of Assam Prof. Jagdish Mukhi on 27th November, 2018 at BBCI, Ghy.

Powergrid Capacity Development Centre in Oncology at BBCI, Guwahati was inaugurated by H. E. Hon'ble Governor of Assam Prof. Jagdish Mukhi at a solemn ceremony at Raj Bhawan, Guwahati on 1st July, 2020.

The Annual Report of BBCI 2019 was released by Hon'ble Chief Minister of Assam Shri Sarbananda Sonowal on 27th June 2019.

Hon'ble Health Minister of Assam Dr. Himanta Biswa Sharma during inauguration of Molecular Virology Laboratory at BBCI, Guwahati on 22nd July 2020.

Sri K N Vyas, Chairman, Atomic Energy Commission, Gol during inauguration of State of the Art Linear Accelerator with IGRT, VMAT, 6XFFF on 8th Feb, 2019.

Distinguished Career Award presented to Dr Amal Ch Katakai, Director, BBCI by Sri Pijush Hazarika, Hon'ble Minister of State, Health, GoA on 27th Feb. 2020 during News 18 Assam HealthCare Excellence Award 2020.

FIRST TIME IN NORTH-EAST STEREOTACTIC RADIOSURGERY STARTED AT BBCI, GUWAHATI

BBCI ACTIVITIES

- Organized a "CME on Haematological Malignancies" at Guwahati as an Organizing Secretary on 27th July, 2019 (one day programme).
- Organized a "CME on Current Scenario in the Management of Non Small Cell Lung Cancer" at Guwahati as an Organizing Secretary on 23rd November, 2019.
- Organized 'Paediatric Cancer Awareness' camp at PARIJAT ACADEMY, Gorchuk, Guwahati on 25th February, 2019.
- Celebrated 'International Childhood Cancer Day' at Srimanta Sankardeva Kalakshetra, Guwahati on 15th February, 2019.
- Organized 'Retinoblastoma Awareness' week from 12th May, 2019 to 16th May, 2019 at Srimanta Sankardeva Kalakshetra, Guwahati.
- Workshop on Cancer Rehabilitation for social workers and nurses by the Department of Pain and Palliative Care, Dr. BBCI on 7th August, 2019.
- Various programs are conducted to promote awareness on importance of proper nutrition in childhood cancer patients while receiving treatment. The children from Delhi Public School, Guwahati performed cultural program for the pediatric cancer patients of the institute on 2nd September 2019. More than 100 numbers of patients and parents participate in the activities.
- Organized Master classes for doctors on Pediatric Oncology by Dr. Somasundaram Jayabose (CanKids Foundation) from 16th September to 19th September, 2019.
- A Workshop cum CME titled "An Update on Surgical Pathology" has been organized by the Department of Pathology at BBCI, Guwahati on 12th and 13th October 2019.
- Summer Training in Palliative Care: 5th Session of One week Summer Training in Palliative Care started on 8th July, 2019. Altogether 4 participants from different walks of life joined the one week training.
- Nursing Workshop in Palliative Care: A Nursing Workshop in Palliative Care was organized by the department of Palliative Medicine in BBCI on 13th and 14th August, 2019 for Nursing Personals of Greater Guwahati. Dr. Vivek and Mr. Sudip Rudra Paul from Cipla Palliative Care and Training Centre, Pune, Dr. Dinesh Ch. Goswami, Dr. Arun Deka, Mr. Tarun Sonowal were invited as Guest Lecturers.
- World Hospice and Palliative Care Day Celebration: The Department of Palliative Medicine of BBCI has celebrated World Hospice & Palliative Care Day on 12th October 2019.
- Diwali Celebration: On the eve of diwali, Artscape Foundation along with Department of Palliative Medicine celebrated the festival with patients and attendants with music, art and recitations.
- Foundation Day Celebration: On the eve of 46th Foundation Day of BBCI, Palliative Medicine Department with an aim to popularize palliative care among residents of BBCI, a lecture by Ms. Gilly Burn from UK was conducted on 'Triage and Communication Challenges' on 19th November, 2019.
- Healthy Talk on Diet: To celebrate the Completion of Two Years of taking over of BBCI by Department of Atomic Energy, Government of India, a Healthy Talk on Diet was organized for patients and caregivers. Ms. Dimi Ingtipi, Dietician of BBCI informed about the tips of dietary management.
- Home Based Palliative Care Service of BBCI has received the "D K Gogoi Shastri Memorial Award" for Leadership in Palliative Home Care, 2019.
- ISA Guwahati City Branch in association with Department of Anaesthesiology BBCI, organised a CME cum Workshop on advanced Airway Skills at BBCI auditorium on 8th March 2020. The resource team was lead by Dr Amit Kohli, Associate Professor Anaesthesiology MAMC. Dr Minoti Baruah from department of Anaesthesiology BBCI was the organising Secretary.
- Two pre-conference workshops namely i) Paediatric Palliative Care and ii) Humanitarian Issues in Palliative Care were conducted in BBCI in relation to 27th International Conference of Indian Association of Palliative Care on 13th February, 2020. These workshops were conducted by international faculties from UK, South Africa, Uganda etc.

WHO SELECTS BBCI

World Health Organization (WHO), India on the recommendation of the Ministry of Health and Family Welfare, Govt. of India has selected Dr. B. Borooah Cancer Institute, Guwahati for South-East Asia Regional (SEAR) Practice Network for Childhood Cancer Services to implement CURE ALL approaches.

NEW APPOINTMENTS

- Deputy Director (Admin)
- Deputy Director (Research)
- Deputy Director (Academics)
- Assistant Professor, Plastic Surgery
- Asst. Professor, Transfusion Medicine
- Asst. Professor, Haemato-Oncology
- Assistant Professor, Hemato-Pathology
- Assistant Professor, Microbiology
- Asst. Prof., Dental & Prosthetic Surgery
- Assistant Nursing Superintendent

ONGOING PROJECTS

[1]. Pattern of Case and Survival Studies in H&N, Breast and Cervical Cancer (ICMR), [2]. Determination of Salivary methylome signatures to develop diagnostic bio-markers for oral cancer in North-East India. [3]. Determine salivary microbiome signatures in tobacco and betel quid associated oral cancer of North-East Region of India. [4]. Study of prevalence of High Risk HPV and precancerous lesion in asymptomatic & symptomatic women of Kamrup urban District, Assam North-east India by comprehensive rural community level screening. [5]. Project E-mortality (e-Mor Project), [6]. Adjuvant Radiotherapy in early stage oral cancers (AREST)-A prospective randomized control trial (with Tata Memorial hospital, Mumbai), [7]. Phase III randomized controlled trial of medroxygesterone acetate versus placebo pre-operatively in advanced locally breast cancer, [8] A pilot study to develop an efficacious oral cancer screening strategy of India. [9]. Creation of Geo-Spatial Cancer Map of Assam using GIS and assess geo-environment cancer risk, [10]. Multi-centric case control study to identify genetic and life style risk factors of gall bladder cancer. [11]. Genome-wide Association study to identify Role of Genetic Susceptibility in Buccal Mucosa Cancer, a multi-centric project. [12]. A multi-site study on environmental risk factors for GB cancer, and mediating role on reproductive factors and diet, [13]. Pattern of care and survival studies in Gall bladder Cancer, [14]. A global, multicenter three arms open-label randomized study to evaluate the efficacy and safety of Nanosomal Docetaxel Lipid Suspension compared to Taxotere (R)(Docetaxel Injection Concentrate) in triple-negative breast cancer patients with locally advanced or metastatic breast cancer after failure to prior chemotherapy, [15]. Development of Automated screening system for Cervical Cancer using Computerised image analysis of PAP Smears and validation through multicentre Development (Development of a Low Cost Automated Screening System for Cervical Cancer).

Dr. Anupam Das, Associate Professor, Department of Head & Neck Surgery, Dr. Borooah Cancer Institute, Guwahati. Co-Author in book chapter in Gray's Surgical Anatomy. 1st Edition. Chapter name: Root of Neck and tracheotomy.

Dr Anupam Sarma, Professor & Head, Dept of Onco-Pathology, BBCI, Guwahati, has been awarded the Ph.D. degree of Bioengineering & Technology by GU, Guwahati for his thesis entitled- "Study on Correlation of Tyrosine Kinase Inhibitor Resistance in Chronic Myeloid Leukemia patients with ABL kinase domain T3151 Mutation and Promoter Methylation status"

Inauguration of Jironi Ghar-II (Guest House for patients) by Dr. R. A. Badwe, Director, TMC, Mumbai and Mr. Mervin Alexander, Joint Secretary, DAE, Gol on 27th November 2017 in presence of Dr. C. S. Pramesh, Director, TMH and Mr. Abhay Kumar, Dy. Secretary Finance, DAE, Gol.

Health Care Excellence Award 2019 present to Dr. S. M. Bhagabaty, Asso. Prof., Dept of Preventive Oncology for Outstanding Contribution in Rural Health Care of Assam by Dr. Himanta Biswa Sharma, Hon'ble Health Minister of Assam, February 2019

State of the Art Operation Theatre (OT) under CSR scheme of Indian Oil-Guwahati Refinery was inaugurated by Hon'ble Speaker, Assam Legislative Assembly Shri Hitendra Nath Goswami on 14th Aug, 2020.

BBCI EDGE-a science magazine was released by Hon'ble Minister of State, Health, GoA Sri Pijush Hazarika on 23rd June, 2020.

Dr. Gautam Sarma, Assistant Professor, Department of Radiation Oncology, Dr. B. Borooah Cancer Institute, Guwahati was awarded "Pratishruti most Contributing Consultant-2019" on 15th Dec. 2019.

NEW ACADEMIC COURSES

- MCh. in Head & Neck Surgery
- MCh. in Gynecologic Oncology
- DM in Onco-Pathology
- One Year/Six Month Certificate Course in Molecular cancer Genetics and Cytogenetics.
- One year Certificate course in Medical Microbiology / Advance Medical Laboratory Technology / Transfusion Medicine.
- One year advance certificate course in Onco-Physiotherapy.

INTRODUCING SHORTLY

Digital Mammography Machine with Tomosynthesis at BCCI.

State of the Art Flow Cytometer Machine at BCCI, Guwahati
