(27th October to 2nd November 2020)

Observance of **Vigilance Awareness Week** every year is part of the multi-pronged approach of the Central Vigilance Commission of India where a key strategy is to encourage all stakeholders to collectively participate in the prevention of and the fight against corruption and to raise public awareness regarding the existence, causes and gravity of and the threat posed by corruption. As per decision of the Central Vigilance Commission of Vigilance Awareness Week was observed this year from 27th October 2020 to 2nd November 2020 with the theme "Satark Bharat, Samriddh Bharat (Vigilant India, Prosperous India)". Being a Central Government aided Institute and keeping in mind the COVID-19 pandemic, Dr B Borooah Cancer Institute (BBCI) also observed the Vigilance Awareness Week this year within the organization. The observation includes taking of 'integrity pledge' by all the employees and students of BBCI in the Auditorium of the Institute followed by National Anthem on 30th October 2020. The programme was organised under the leadership of Dr. Rajjyoti Das, Professor, Dept. of Head & Neck Oncology & OIC for Human Resource, BBCI. All the employees of BBCI were addressed by Dr A C Kataki, Director, BBCI before taking 'integrity pledge' on that day. Since limited staffs were permitted to attend the programme in the BBCI Auditorium, IT Department of the Institute also uploaded the 'Integrity Pledge' (both in English & Hindi) in all computers of all work stations for reference of all employees. Employees who could not attend the pledge taking programme in BBCI Auditorium, they took / read the pledge from their work places i.e. Operation Theatre, Cash Counter, Registration Counter, Nursing Stations, etc. in groups and individuals.
